

Mission Statement

Our mission is to:

- Provide a safe, secure, healthy and happy environment, where each child is treated as an individual and able to develop to their full potential.
- Establish an interest led curriculum working towards the Early Learning Goals and ensuring children are 'school ready' to continue life-long learning.
- Develop an appreciation and respect of the wider world, including respect for: one another, individual people, ethnic minorities, cultural differences, the environment and the surrounding community.
- Promote a positive relationship with parents and carers and work in partnership with them to provide high quality play and care for their children.
- Consistently work towards achieving an "Outstanding" grading from Ofsted inspections through self-evaluating our provision at all times.
